

REMARKS

Claims 1-2, 4-5, 8-9, 11-12, 15-21, 27-29, 31-36 are rejected in an Office Action dated June 11, 2008. Claims 1, 8, 27 and 32 have been amended to clarify that the venting media is formed of a polymer film. No new matter has been added. Claims 40-42 have been added to further clarify the present invention. Support for this Supplemental Amendment to the claims is found throughout the specification and particularly at page 12, lines 9-15.

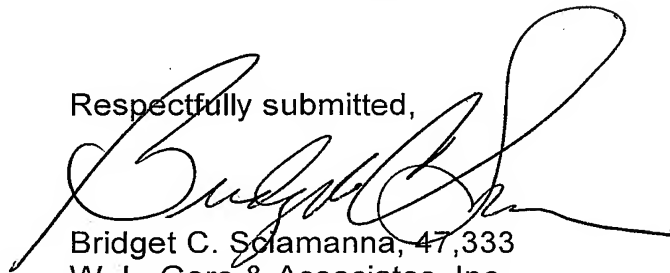

CONCLUSION

Applicants believe that the supplemental amendment and remarks further clarify the present invention. A full and complete response has been made to the pending Office Action in a response dated December 9, 2008. Applicants respectfully submit that all of the stated objections and grounds for rejection have been overcome or rendered moot. Accordingly, Applicants respectfully submit that all pending claims are allowable and that the application is in condition for allowance.

Should the Examiner feel that there are any issues outstanding after consideration of this Supplemental Amendment and the response of December 9, 2008, the Examiner is invited to contact the Applicants' undersigned representative at the number below to expedite prosecution.

Prompt and favorable consideration of this Reply is respectfully requested.

Respectfully submitted,
